President's Message

Renewal Reminder

It's time to renew your memberships. Renew with the application in this newsletter, or online at <http://www.jmccconsulting.com/rmsa>

Well it has been an interesting month with Visalia in the record books. It was hot and dry out there and the flying was tough to say the very least. But it was a lot of fun for sure - I had the motor home and trailer out there parked next to the SWSA camp.

Contest Planning This next meeting we will setting up a date for our annual CD meeting. That is when we plan next year's schedule so I would like all CD's to be there so we can set the calendar. Also anyone that wants to be a CD that is the meeting that you want to be at.

We are going to be deciding on the design and how the winches will be built as we need to have all winches the same so that set up and the need for spare parts will be much easier. We are also going to be scheduling a winch weekend so that we can get all the winches all up and running the same.

It's that time of year it is time to get your reservations in for the year end banquet, and this should be an interesting year as the championship will come down to the last contest.

Just to remind you there has been a new rule added to the Field Rules - there WILL be a 10.00 Fine for not marking stakes. That 10.00 goes to the club fund and we will also list all that have been fined in the newsletter.... SO keep 'em marked or get fined but worse do you want to be the one that gets us kicked off the sod farm? ...I think not.

Donations for the year end raffle, It is time to go through your workshop and see what you have to donate for the year end raffle. If you have a hobby shop that you frequent talk to them and then give me the contact information so we can have a great raffle this year.

ByLaws Changes. There are some changes that need to be made - we want to vote on being able to vote over the Internet since it seems rather hard to get enough people for a quorum at the meetings. We also want to change the official election to the December meeting instead of the October meeting. That generally assures us of a quorum at the banquet.

See you at the field Dr. Dan

Dr. Dan Williams

Next Meeting:

Date/Time: November 4, 2003 – 7:00 PM

Location: Broomfield Advanced Chiropractic
26 Garden Ctr
Broomfield CO 80020-7012

Program: Winch Redesign and ByLaws Discussions.

November Club Contest
November 9th, 2003
CD Jim Monaco

Entry Fee: \$5.00
Registration: 8:30 AM
Pilot's Meeting: 9:00 AM
First Flight: 9:15 AM

Please be registered and have planes assembled by Pilot's Meeting

Tasks: AMA T1- man on man duration with times set according to conditions.

Landing: Regular AMA landing tapes will be used.

The final contest of the year will be very interesting. The scores are very close and the final standings will depend on the results of this contest. The November contest is always subject to the weather. Be sure to bring your mittens! We WILL fly unless it is snowing or raining. Cancellation for cold is not an option.

RMSA Banquet
Sunday December 7, 2003

Once again we are planning our year end Awards banquet. The banquet will be held Sunday December 7th at Cinzetti's Italian Marketplace – the same place we had it last year. The membership overwhelmingly confirmed a repeat performance. All meals are “all you can eat” plus unlimited standard beverage (coffee, soda etc). Note that OJ and Lemonade are NOT refillable. There will be both breakfast and lunch foods available along with some great desserts.

Prices are:

Adults \$17.25

Kids 4-10 \$ 7.25

Prices include the meal and coffee/tea and carbonated drinks plus taxes and required 15% gratuity.

We will have the room from 11:00 until ??? Please be aware that Cinzetti's opens at 11:00 so there is no need to be early.

The entire bill will be on one check for me to pay so please be prepared to pay me at or before the banquet. Your server will prepare separate bills directly for you for any extras that you order such as cocktails, or juice refills. You can pay me in cash or check made out to me personally. Please pay me at or before the banquet - I do need an accurate count by the Friday before the Banquet so please call me or email me to confirm your attendance as soon as possible so I can get a preliminary count to size the reserved area..

Cinzzetti's Italian Market Restaurant
281 West 104th Avenue
Northglenn, Colorado 80234
(303) 451-7300

It is in the Northeast corner of the plaza on the West side of I25 at 104th. It is North of the Lowes Home Improvement Store!

We will have a great time – plan on attending with your families!

Sunday October 12th Open Contest – Contest Report CD – Shannon Bingham

The October Open contest was a success with beautiful weather and plenty of competitors on hand. We flew six rounds and had lots of fun competition and a great showing of bald eagles over the field. We oriented the winches to the west and left them that way all day. Jim did his usual great job keeping things moving and we were able to get the sixth round off just before 2:45. After a consistently good day of flying, Lenny Keer won Masters with Mike Verzuh, in second, Don Ingram in third, Charlie Miller was fourth and John Kappus in fifth. Jim Monaco took sixth and delivered the spanking of the decade by pulling off a brilliant sneak-out to the north while the usual contest stars suffered in weak air to the south. Lenny wound up winning three contests during the weekend counting the two electric events. Ryan O'Hara won Sportsman with Wayne Hollenbeck in second. Steve Suntken won Novice with Danny Dermer in second. Tony O'Hara turned in an excellent specked out final flight of the day with his bird of time. After not so much as scratching an airplane in two years, I broke both of mine in this contest, go figure. Great contest. See you next time.

Shannon

Saturday October 11th F5J / Electric Funfly – Contest Report CD – Shannon Bingham

We held the make-up F5J contest Saturday and had 4 competitors turn out. Lenny Keer, Shannon Bingham, Steve Suntken, and Jim Barr were on hand for 6 rounds of 7-cell electric and Speed 400 competition. It was a beautiful day without a cloud in the sky and plenty of thermals to keep things fun. The pelicans were checking out the thermals too with several flocks of 50 or so on hand. We flew six 10-minute rounds and had a great time. Lenny won both contests and it was good preparation for the Electric World Challenge scheduled for October 18th and 19th in Albuquerque which Lenny and Steve will be attending. Congratulations and good luck Lenny and Steve.

Ed. Note: Steve won the speed 400 event in Albuquerque – way to go Steve!!!

ROCKY MOUNTAIN SOARING ASSOCIATION FIELD RULES

1. The sod farm operations take precedence over **ALL** activities. We use the field at the convenience of the owner.
2. All members will follow **ALL** instructions from **ANY** sod farm personnel without question.
3. When sod farm operations are occurring during a flying session it is **OUR** responsibility to ensure that we will not interfere with operations. If it is unclear as to what is happening or where they intend to mow or work try to talk to workers or management and always move equipment or vacate the premises if necessary. Some workers do not speak very good English – in that case you must make every effort to avoid conflict or interference with operations.
4. Park only in the designated parking areas Do not park on grass, dirt or roads.
5. Avoid setting up on newly seeded areas or young grassy areas. The nice grassy areas are better to land on anyway!
6. Establish a frequency control pole and tag system! Frequency control is to be in effect at all times!! All members will post their frequency control tags on the pole and if there are conflicts, please exercise safety sense as well as share the flight time.
7. Parking and pit areas should be as condensed as possible for the safety of launch and landing.
8. Establish flight line areas for winch launch, high start launch, and hand launch that are separate for the sake of launch, flight & landing safety.
9. Flying over the parking/pit areas at less than 30 feet is prohibited. Doing so in competition WILL result in a zero flight score and during R/R flying a disciplinary action by the club.
10. No aerobatics or speed runs over the parking/pit/Launch/Landing zones.
11. Do not launch if a plane is circling in a launch zone: vacate the launch zone as soon as possible if someone is waiting to launch.
12. When entering a thermal occupied by other aircraft, enter in the same direction as the first aircraft
13. Landing aircraft have the right of way!
14. In the event of no mechanical retriever, please shag your own chute/line for the flight
15. Please share the usage of club equipment so that all have equal flight time.
16. Please be courteous and helpful to your fellow flyers as well as informative to all guests/spectators. Enjoy yourself and others!!
17. Absolutely no debris or trash is to be left on the field! Please take it home with you for disposal.
18. Make sure that your plane and electronics are airworthy before each flight. Exercise good safety sense in your flight
19. The aircraft will have an identification name/address or AMA number on or in the model in case of loss.
20. You **MUST** tag your winch/high start spikes or stakes with fluorescent tape so they are easily spotted on the field by all concerned. Members may be fined \$10 for each stake or nail not so marked. Previous damage to sod farm equipment from spikes left in the ground have made this rule **EXTREMELY** important.
21. Absolutely no alcoholic beverages will be consumed, prior to or during participation in any model event on the flying field.

I understand and will comply with all RMSA field rules:

Directions to Field

Take I-76 to exit 16. Turn left and follow the frontage road to the stoplight and turn east onto 120th eastbound towards the airport. Take 120th East to Tower Rd. Turn left (North) on Tower. Look for a left turn onto a dirt access road on the North side of the sod farm. We are on the Northwest corner of that part of the sod farm.
Flying for RMSA members and accompanied guests only.
